

Chris Moore

Music Director

Chris Moore leads our music department, planning, coordinating and directing the music for weekly worship services and special events. Chris also works alongside our Music Committee planning the annual concert series and promoting the overall music ministry.

Chris holds a Bachelor of Arts from the University of Cincinnati College-Conservatory of Music, with a double Major in Voice and Music Education, and minor in Organ. Throughout his career, Chris taught public school music and served as the Executive Director of the Springfield Arts Council. Chris has performed as soloist with the Springfield Symphony and the Cincinnati Pops Orchestras, has performed and served as assistant music conductor of the Stephen Foster Story in Bardstown, Kentucky, and has years of experience both accompanying, directing and conducting music theater productions throughout the Miami Valley. Chris regularly consults with not for profit arts organizations in the areas of board and program development, and fundraising, and has 20 pieces of choral music published by Lorenz Publishing and Beckenhorst Press.

Chris has a plethora of experiences over the years but his deepest passion at this time is to share God's gift of music to enhance worship and music ministry within a congregation.
