

Wanda Anderson

Administrative Assistant

Wanda's unique blend of career experience, combined with excellent people skills and internal expertise leads our administrative efforts at United Church.

Much like her current position, Wanda's career has demanded a range of talents. Wanda began working in nursing and pharmacy. Lifestyle changes and an overall interest in health and well-being led her to Weight Watchers where she ended up working as a Territory Manager for over 25 years. While leading a weekly meeting on our campus, Wanda was recruited to assist in general administration on a part-time basis. A growing relationship with the congregation, along with a desire to see the church grow, led Wanda to a full time position at UCMI.

Wanda has worked at United Church of Marco Island since 2015 and has risen to the challenge of widely varying positions and responsibilities. Wanda's background and long-standing knowledge of the many church details allows the church office to hum like a well-oiled machine.
