## Bargain Basket Floor Manager

---

Upon leaving her origin of England, Jackie spent four years in Johannesburg, South Africa prior to moving to the USA in 1994 where she laid down roots, had kids and made a home in New Jersey. Shortly after moving to Marco Island, Jackie joined the Bargain Basket team in 2018 and has provided interpersonal and organizational skills that have allowed the Bargain Basket to adapt and improve continuously even throughout a worldwide pandemic.

Jackie has a passion for creativity and the arts. Outside the Bargain Basket, you can find Jackie on the stage, acting and assisting in many local plays.

Jackie's creativity keeps the Bargain Basket looking beautiful and charming. In her time with us, Jackie has been a part of many of the store re-designs and uses that knowledge and experience to continuously perfect individual displays and the overall store layout.

As Floor Manager, Jackie has developed a team of kind, hard-working volunteers that share her love of the store. Jackie works closely with the volunteers to schedule them in the department that best fits their time and talents.
